The Bacterial Actin-Like Cytoskeleton

Rut Carballido-López

Génétique Microbienne, Institut National de la Recherche Agronomique, 78352 Jouy-en-Josas Cedex, France

Volume 70, no. 4, p. 888–909, 2006. Page 888, column 2, line 12: “. . . filament protein” should read “. . . filament protein (for a recent review, see reference 151a).”

Page 889, column 1, lines 43 and 44: “. . . (for recent reviews, see references 114 and 142)” should read “. . . (for recent reviews, see references 114, 142, and 151a).”

Page 889, column 2, line 40: “(59)” should read “(59, 151a).”

Page 908: The following reference was inadvertently omitted.

151a. Shih, Y.-L., and L. Rothfield. 2006. The bacterial cytoskeleton. *Microbiol. Mol. Biol. Rev.* **70**:729–754.
